OFFICE OF THE SECRETARY, Jan. 24, 1906.

*To the Honorable Senate and the House of Representatives.*

I have the honor to submit, in compliance with the Revised Laws, chapter 5, section 10, the fourteenth annual report of the transactions of this office, for the year ending Dec. 31, 1905, including the returns of the number of liquor licenses granted by the several cities and towns, the amount received for such licenses, and the votes of the cities and towns on the question of granting them; also the returns of the sheriffs of the several counties, of money received by them, and of their attendance upon a court of record and the county commissioners.

There is also presented, in compliance with the statute of 1905, chapter 321, abstract and tabular statements of the returns of the clerks of the superior court for the several counties and the clerk of the superior court for civil business in the county of Suffolk; of the number of jury cases, of jury waived cases and of equity suits pending at the beginning of the year; of the number of each of said three classes of cases entered during the year; of the number of cases of each class actually tried during the year; of the number of cases of each class disposed of during the year by agreement of the parties or by order of the court; of the number of cases of each class remaining untried at the end of the year; of the number of cases wherein the verdict of the jury has been set aside by the court on the ground that it was excessive; and of the number of days during which the court has sat in each county for the hearing of each of said three classes of cases.

## RECEIPTS AND EXPENDITURES.

The following table shows, in detail, the receipts from fees, etc., all of which were paid into the treasury monthly, and quarterly reports thereof made to the Governor and Council, as required by Revised Laws, chapter 5, section 1:—

Commissions, . . . . .	\$12,030 00
Corporation certificates, . . . . .	66,352 91
Limited partnerships, . . . . .	40 00
Licenses, . . . . .	19,072 00
Sale of books, etc., . . . . .	3,822 94
Sale of Bradford Histories, . . . . .	225 00
Labels, trade-marks, etc., . . . . .	870 00
Miscellaneous, {	
Certificates, . . . . .	\$773 00
Revolutionary Records, . . . . .	399 50
Copies, . . . . .	782 75
Advance sheets, . . . . .	57 00
	<hr/>
	2,012 25
	<hr/>
	\$104,425 10

These receipts exceed those of last year by over \$20,000, chiefly on account of corporation certificates and licenses. During the past eleven years they have more than doubled, the amount for the year 1894 being less than \$51,000.

As the expenses for salaries in 1905 were \$38,579.12, and for incidentals \$3,700.63, making a total of \$42,279.75, it appears that the office turns into the treasury of the Commonwealth \$62,145.35 more than the cost of its maintenance.

I respectfully recommend that the salary of the cashier be increased from \$1,200 to \$1,500 per annum. This salary is not fixed by law, but an appropriation of \$1,500 was made annually from the creation of the office in 1892 until 1902, when, in consequence of an admitted error in the revision of the laws, the appropriation was limited to \$1,200. By the Acts of 1902, chapter 364, however, the error in revision is corrected, removing the limitation; and as, in my judgment, the sum of \$1,500 is but a reasonable compensation for the services rendered, I recommend that the appropriation be made accordingly.

## COMMISSIONS.

The number of commissions issued was 2,804, — an increase of 238 over the number issued in 1904. Of these, 398 were without fee, and 105 became void by reason of the failure of the appointees to take out the commissions or to qualify thereunder. The different classes were as follows:—

Justices of the peace, . . . . .	1,370
Notaries public, . . . . .	908
Trustees, commissioners, etc., . . . . .	149
Supervisors of election, . . . . .	108
Justices of the peace to solemnize marriages, . . . . .	46
Special commissioners, . . . . .	41
Associate medical examiners, . . . . .	33
Medical examiners, . . . . .	25
Commissioners in other States, . . . . .	24
District Police, . . . . .	17
Public administrators, . . . . .	13
Clerks of municipal, police and district courts, . . . . .	13
Masters in chancery, . . . . .	11
Justices of the peace to issue warrants and take bail, . . . . .	9
Public warehousemen, . . . . .	7
Justices of municipal, police and district courts, . . . . .	5
Special justices of municipal, police and district courts, . . . . .	5
Commissioners in foreign countries, . . . . .	4
Trial justices, . . . . .	4
Commissioners to qualify civil officers, . . . . .	2
Associate justices superior court, . . . . .	2
Supervisors of registration, . . . . .	2
Chief justice superior court, . . . . .	1
Associate justice supreme judicial court, . . . . .	1
Private secretary to the Governor, . . . . .	1
Executive stenographer, . . . . .	1
Sheriff, . . . . .	1
District attorney, . . . . .	1

Certificates to the number of 3,780 were issued. Fees were remitted for 688.

## CORPORATION DIVISION.

The total number of certificates of incorporation issued under general laws to new corporations was 1,541, — an increase of 207, as compared with 1904, — classified as follows:—

Trading corporations (under chapter 437, Acts of 1903), . . . .	1,272
Religious, charitable, social, educational, musical, athletic, etc., corporations (under Revised Laws, chapter 125, section 6), . . . .	210
Fraternal beneficiary corporations (under Revised Laws, chapter 119), . . . .	21
Churches (under Revised Laws, chapter 36, section 51), . . . .	16
Public service corporations (under Revised Laws, chapter 110, section 20), . . . . .	12
Trust company (under chapter 374, Acts of 1904), . . . . .	1
Street railway corporations (under Revised Laws, chapter 112), . . . .	6
Assessment insurance company (under Revised Laws, chapter 120), . . . .	1
Co-operative banks (under Revised Laws, chapter 114), . . . . .	2

As given above, 1,272 trading companies were incorporated under the business corporation law of 1903, which is an increase of 19 per cent., compared with 1904, when 1,067 were incorporated, and an increase of 1,014 companies, or 493 per cent., compared with 1902, the last full calendar year of the operation of the old law for business corporations, when 258 were incorporated.

The number of miscellaneous certificates filed and recorded was 5,257, — an increase of 789. Of these, 3,200 were certificates of condition of Massachusetts corporations (under section 51, chapter 110 of the Revised Laws, and section 45, chapter 437, Acts of 1903); 1,272 were articles of organization of trading corporations (under chapter 437, Acts of 1903); 210 were certificates of religious, charitable and other organizations (under chapter 125 of the Revised Laws); 128 were certificates of issue of capital stock of trading corporations (under chapter 437, Acts of 1903); and the remainder were distributed among 29 different classes.

The number of miscellaneous certificates filed and not recorded was 2,054, — an increase of 72; of which 1,920 were certificates of condition of foreign corporations (under chapter 126 of the Revised Laws and section 66 of chapter 437, Acts of 1903), and the remainder were divided among 13 other classes.

There were issued 12 certificates of change of name of corporations (under chapter 109 of the Revised Laws), — a decrease of 3.

Returns were received of the dissolution of 54 corporations by the supreme judicial court, — an increase of 5.

Under the act relating to the incorporation of clubs, 3 certificates of incorporation which had been issued to clubs were declared void, upon evidence that the premises of the clubs were used for illegal purposes; and charters were refused in 6 cases.

Details of all these statistics appear in the Abstract of Certificates of Corporations, published by this office (Public Document, No. 10).

Limited partnership certificates to the number of 40 were filed and recorded, — the same number as compared with 1904.

From information tendered this office verbally by city and town officials and by persons representing associations formed for the purpose of fostering and assisting in the maintenance of good order and observance of law in some of our municipalities, it is learned that the practice has obtained of changing the particular locations of certain incorporated clubs from the city or town where they were established at the time a certificate of incorporation was issued from this office, under the provisions of chapter 125 of the Revised Laws, to another city or town in the Commonwealth. The principal motive for making the change in the great number of cases reported appears to be for the purpose of applying for a license to dispense alcoholic beverages to its members upon the premises of the club in the new location, for the reason that the municipality may have voted against the issue of licenses for the dispensing of intoxicating liquors, or the privilege may have been suspended or denied the club in the city or town where it was formerly located, and incidentally, for a time, at least, before discovery by officers of the law, to carry on illegal gaming or other illegal pursuits to the annoyance of the community in the new location. In view of the fact that section 4 of chapter 125, Revised Laws, provides that this office may send the original application for the incorporation of a club or other organization to the board of selectmen in the town, the mayor and aldermen in the city, in which the club is to be established or located in accordance with its agreement of association (except Boston, and in Boston to the Board of Police), for investigation as to whether any of the proposed incorporators have been engaged in any business or vocation prohibited by law, or whether the formation of the

proposed corporation is to cover an illegal business, it seems proper to require that the consent of the authorities above referred to be obtained in the city or town where the club seeks a new location. I therefore recommend legislation to this effect.

#### REVOCATION OF CHARTERS.

In a report of recent date received by this office from the Chief of the District Police, the request was made that the charter of a certain club named therein, located in one of our large cities, be revoked, for the reason that a person was convicted by the court of conducting an illegal boxing exhibition upon the premises of said club, and paid the penalty imposed by section 12, chapter 207, Revised Laws; but this office was unable to take the action requested, as there is no law to cover such cases. Considering that section 89, chapter 100, Revised Laws, invests this office with the power to revoke the charters of clubs upon the premises of which any person is convicted of exposing and keeping for sale intoxicating liquor or of illegal gaming, or being present where implements of gaming are found upon said premises, upon report of such conviction by the selectmen of a town, the mayor and aldermen of a city, except Boston, and in Boston the Board of Police; and that chapter 524, Acts of 1902, also provides for revoking club charters upon report of the officials just named where any liquor or any casks or other vessels or implements of sale and furniture used or kept and provided to be used in the illegal keeping or sale of liquor or any implements of gaming are seized on the premises occupied by an incorporated club, and declared forfeited by the court under the provisions of chapter 100, Revised Laws, I recommend that the power to revoke club charters be extended to cases where the Chief of the District Police or the municipal authorities hereinbefore named report to this office that any person or persons have been convicted of promoting or conducting illegal boxing or sparring exhibitions on the premises of or under the auspices of incorporated clubs.

## LABELS, TRADE-MARKS, ETC.

By chapter 72, section 7, Revised Laws, which relates to the adoption and registration of labels, trade-marks, stamps and forms of advertisement, the duty is placed upon the Secretary of the Commonwealth of receiving, filing and recording such labels, etc., and of issuing and recording certificates of record. Under this law, labels, trade-marks, stamps and forms of advertisement were received and certificates of record issued and recorded in 437 cases, — a decrease of 80.

## INSIGNIA OF SOCIETIES AND LABOR UNIONS.

Chapter 335, Acts of 1904, provides for the registration in this office of the insignia, ribbons, badges, rosettes, buttons and emblems of societies, associations and labor unions. The registrations received, which are 5 in number, have been included with the number of labels above given under section 7, chapter 72, Revised Laws.

## MARKS AND DEVICES ON CANS, ETC.

By chapter 72, section 15, Revised Laws, which provides for the protection of owners of cans, bottles, boxes, siphons and fountains used in the sale of soda water, mineral and aerated waters, ale, beer, ginger ale or similar beverages, it is made the duty of the Secretary of the Commonwealth to receive and file descriptions of marks, devices, etc.; and under this law 20 such descriptions were received and filed, — the same number as compared with 1904. Under section 19 of said chapter 72, Revised Laws, protecting dealers and consumers against the unlawful use and destruction of milk cans, jugs, bottles or jars, 19 descriptions of marks, devices, etc., were received and filed, — an increase of 10, as compared with 1904.

## VITAL STATISTICS.

The returns of births and marriages from the various cities and towns for the year 1904 which were received in 1905 cover 75,014 births and 25,993 marriages, — an increase, as compared with the returns of 1903, of 1,430 births and a decrease of 947 marriages.

Under the provisions of an act of 1903, chapter 305, there were received during the year 1905 55,255 certified copies of records of deaths. This number includes duplicates and still-births, which are eliminated in the tables of the registration report (Public Document, No. 1).

The medical examiners' returns for 1904 cover 2,938 cases, — a decrease of 72, as compared with the returns for 1903.

The returns by the clerks of the courts of the decrees of divorce for 1904 number 2,184, — being a decrease of 49, as compared with the returns for 1903.

All of these figures are compiled and presented fully in the sixty-third registration report (Public Document, No. 1).

I recommend an amendment to the law of 1903, chapter 305, so that the returns of all deaths occurring in a city or town during a calendar month shall be returned to this office on or before the tenth day of the following month.

The law at present reads that certified copies of the records of deaths *recorded* in a city or town in a calendar month shall be returned to the Secretary. In consequence of this reading, clerks are not required to send to this office until the 10th of January deaths which occurred in the latter days of November, if such deaths did not happen to be *recorded* until the first day of December.

I recommend that the same law be further amended so as to require clerks to certify to this office that no deaths have occurred during the month, if such be the fact; otherwise, this office cannot know whether the clerks are delinquent, or whether they have simply no returns to make.

#### THE ARCHIVES.

The number of visitors during the year is 3,451; the number of inquiries for military records, 642; the number of inquiries on historical and miscellaneous subjects, 43; the number of certificates issued, 363; the number of uncertified copies supplied, 125; the number of volumes rebound, 24.

The usual amount of assistance has been furnished also to visitors making historical researches. The number of persons making inquiries for military records is somewhat lessened from previous years, but their places have been supplied by

persons making studies of historical subjects, who find occasion to work continuously upon the records. The insufficiency of the space for the archives division still hampers its work, but everything is done to satisfy inquirers consulting the records, and to overcome the difficulties occasioned by having a working force of clerks in the same room where records are consulted, and by the compulsory separation of portions of the files, which are assigned to the storage vault annually.

#### REVOLUTIONARY ROLLS COLLECTION.

Volume XIII. of the publication entitled "Massachusetts Soldiers and Sailors of the Revolutionary War," covering all names with accompanying service records between REA and SEY, was completed as far as this office is concerned in May, but the bound volume was not ready for distribution until August. Volume XIV., covering all names with accompanying service records between SHA and STH was completed in December, and will probably be ready for delivery in April, estimating the actual preparation and completion of the volumes from the time taken by the printers to produce the previous volume. The entire material for volume XV. and practically all of volume XVI. is now ready for the State printer, and the work will proceed continuously. The checking up and fitting of the individual service records for the last volume of the publication, volume XVII., is now being carried on. It is estimated upon the record index cards prepared that this volume will be somewhat smaller than the previous ones issued, but it is planned to incorporate with it as an Appendix all such records as have been brought to light since the beginning of the compilation in 1891.

The Council Records contain some thousands of references to the appointments of militia officers and payments upon warrants to captains of companies, based upon pay rolls presented. While these records cannot be strictly considered as part of the Revolutionary Rolls collection, the publication of which was authorized by chapter 100, Resolves of 1891, they furnish in some instances details that are missing from the last-named collection, and in others fuller details than appear upon the pay rolls. It would therefore seem advisable to have record

index cards made of the military entries above referred to that appear in the Council Records between April, 1775, and August, 1783, before the completion of the present work, so that they can be included in the proposed Appendix.

#### REGISTRATION FILES.

The total number of visitors to the registration files during the year is 4,509; the birth certificates issued, 140; the marriage certificates issued, 426; the death certificates issued, 231; total certificates, 797.

There have been deposited with the vital statistics, under the provisions of the Acts of 1902, chapter 470, eight volumes of manuscript copies of births, marriages and deaths prior to 1850, with the printed volumes corresponding thereto. The towns represented are as follows: Boxford, Charlton, Marblehead (volume 2), Medway, Newton, Oakham, Oxford and Rutland.

#### DOCUMENT DIVISION.

There were printed under the direction of this office, during the year, in the Public Document series (numbering 72 different reports), 202,350 volumes, — a decrease of 2,000 volumes. Of this number 136,000 were handled and distributed in the document division, being supplied to members of the General Court, to cities and towns, public officers, libraries, and to the general public.

In addition to the Public Document series, there were printed and distributed 25,000 copies of the pamphlet edition of the laws; 12,000 copies of the Blue Book; 13,500 copies of the Manual for the General Court; 1,095 copies of the term reports; 1,000 copies each of the Senate and House Journals; and there were also received and distributed 1,000 copies of volume XIII., Massachusetts Soldiers and Sailors of the Revolutionary War; 500 copies each of the Vital Records of the towns of Boxford, Charlton, Marblehead (volume 2), Medway, Newton, Oxford, Oakham, Palmer and Rutland; and 5,000 copies of the Supplement to Laws relating to Elections, — making a grand total of 200,095 volumes which have passed through the document division during the year, — a decrease of 4,884 volumes from 1904.

Two hundred and twenty-five copies of the Bradford History were sold during the year.

## CARE OF PUBLIC DOCUMENTS.

Complaints have been made to this office and also to the office of the Commissioner of Public Records of neglect on the part of town officers not only to keep public documents where they can be conveniently used, but even to protect them from destruction. The fact is, that while the clerks of newly incorporated towns must file with the Secretary of the Commonwealth a certificate in writing that the town has made suitable provision for the preservation and convenient use of books and documents furnished by the Commonwealth before such books and documents can be sent, the older towns are exempt; nor is there any penalty whatever for the loss or destruction of documents through neglect on the part of their custodians in cities and towns.

In a letter received during the last year from Mr. Swan, Commissioner of Public Records, he says:—

There are very few towns where the public documents, or the Massachusetts Reports, or any other of the numerous publications sent to the towns, are kept with any sort of order or system. If the towns originally provided bookcases, these have long since been outgrown, and a large part of the documents (using the word to cover all publications) are scattered wherever there is unoccupied space. The attics and cellars of the town buildings and in many cases of the clerks' houses are often made use of for the documents, many of them never having been taken out of their wrappers.

As I read the statute, there is no law requiring old cities and towns to make provision for the preservation and convenient use of these documents, and I can recall but one case where, when the matter had been called to the attention of the town officers, they have not said that they wished the sending might be stopped. In the one case the son of one of the town officers was commencing the practice of law, and the Massachusetts Reports were of value to him. In several towns the reports were turned over to a lawyer; in two they were sent out of town to lawyers.

I recommend such legislation as will either require the city and town clerks to take proper care of all such documents as those referred to, or relieve the Secretary of the Commonwealth of the duty of sending them to cities and towns, where they will neither be used nor preserved.

## STATE PRINTING.

The cost of printing Public Documents in 1905, including the Manual, Blue Book, Journals, etc., was \$33,318.32. The most expensive single report in the Public Document series was that of the Savings Banks Commissioners, \$5,869.54, — an increase of about \$675 over the amount for 1904. The report of the Board of Agriculture cost \$5,790.96; the Railroad Commissioners, \$4,981.80; and the Board of Health, \$2,795.07. The Blue Book cost \$7,003.45; the Manual, \$4,372.33; the Senate Journal, \$1,304.28; the House Journal, \$1,535.10. The Senate printing bill was \$7,886.72, and the House printing \$15,482.71, — a decrease of \$207.31 in the Senate printing bill, and a decrease of \$2,523.62 in the House printing bill. The cost of printing the official ballots, including expressage, was \$8,391.56.

## NEW VOLUME OF SPECIAL LAWS.

It has been the practice of the Legislature from time to time to collate and print the special laws. The last volume was published by authority of a resolve of 1902, chapter 55. A sufficient number of these laws has accumulated to warrant the issue of a new volume. I therefore recommend the passage of the necessary legislation for this purpose.

## CHANGES OF NAMES.

The returns of 423 names changed in 1904, as decreed by the several probate courts, were received and filed, in compliance with the requirements of the Revised Laws, chapter 154, section 14, and published in the Blue Book.

## PEDLERS' LICENSES.

There were issued to hawkers and pedlers, under the provisions of chapter 65, Revised Laws, as amended by chapter 531, Acts of 1902, chapter 432, Acts of 1903, and chapter 204, Acts of 1905, 1,895 licenses, — an increase of 326 from 1904. Of this number, 348 were for the State, 620 for counties, 855 for cities and towns, and 72 for cities and towns in which the applicant resided and paid taxes on a stock in trade.

Of free licenses issued, 402 were to soldiers and sailors who

served in the army or navy during the war of the rebellion, — a decrease of 36, as compared with the previous year; 43 to soldiers and sailors who served in the war against Spain, — an increase of 2; and 51 to persons seventy years of age or upwards.

Four itinerant vendors' State licenses were issued during the year.

The number of transfers of licenses was 153.

#### COAL AND COKE LICENSES.

The number of licenses for the sale of coal and coke issued during the year, as provided in the Acts of 1903, chapter 484, was 205 in cities and 58 in towns, — a total of 263; and the list of licensees covers 297 of the 354 cities and towns of the Commonwealth.

The total number of licenses issued under the provisions of said act to Jan. 1, 1906, is 1,880 in cities and 1,055 in towns, — a total of 2,935. Up to the present time only three cities, Fall River, Chicopee and Springfield, and one town, Huntington, have established fees, conditions and terms, as provided in the law.

One complaint has been received under section 3 of this act. This was made by Edward T. Brightman of New Bedford against Thomas H. Fuller of New Bedford, for unlawful discrimination in the conduct of Fuller's business as a dealer in coke, and against the New Bedford Gas and Edison Light Company for conspiracy and unlawful combination. A hearing was given on this complaint on the twentieth day of December, at which all parties interested were represented. The questions involved being of great importance and difficult of solution, I have held the matter under careful advisement, and have not yet rendered a decision.

I renew, with increased urgency, my recommendation of last year, that the Secretary of the Commonwealth be relieved from the judicial functions imposed upon him by this section of the act. In the proceedings taken in the complaint referred to the Secretary found himself charged with the exercise of judicial functions, but without the power to compel the attendance of witnesses, to administer oaths or to require the production of

books and papers, — indeed, to obtain any evidence whatever excepting such as the parties in interest might see fit to offer.

I further recommend that the act be amended so as to require cities and towns to prescribe fees, conditions and terms under which licenses are to be granted, and to communicate them to the Secretary of the Commonwealth; or so that the Secretary himself shall have power to fix such fees, conditions and terms. In my judgment, some fee should be fixed and should be paid to the Commonwealth, inasmuch as the expense of issuing the licenses falls upon the State treasury. As has been stated, nearly 3,000 of these licenses have been issued, involving a considerable expense for paper, printing, clerical service and postage. Quite recently over 200 were issued simultaneously to parties in the city of New Bedford, where no fee whatever has been fixed.

#### RETURNS UNDER THE "LOBBY ACT."

Under what is known as the "lobby act" (Revised Laws, chapter 11, sections 285 to 306, inclusive), 322 entries were made upon the docket of legislative counsel and agents, — a decrease of 6, as compared with 1904. Returns were received at this office covering 301 of these entries. Of those received, it became the duty of the Secretary to transmit 13 to the Attorney-General for his information, 9 of them appearing to be irregular or defective, and the 4 others being received after the expiration of the time limit. The 25 cases of delinquency were reported to the Attorney-General, as required by law.

#### ELECTIONS.

All statements and statistics referring to elections appear, as required by law, in Public Document, No. 43 (Assessed Polls, Registered Voters, etc.), together with recommendations in relation thereto. A report of the number of returns under the corrupt-practices act, so called, will be found in the same document.

#### PROCLAMATIONS.

The usual Thanksgiving and Arbor Day proclamations were printed and distributed under the direction of this office. Of the Thanksgiving proclamation, about 2,500 were sent by mail

to churches and about 100 to institutions; and of the Arbor Day proclamation, 1,050 were distributed by mail.

#### PARDONS, REQUISITIONS, ETC.

The number of pardons made out and issued in 1905 was 27; requisitions upon other States, 48; warrants issued upon requisitions from other States, 11; transfers from prisons, etc., to hospitals, 50; permits for release from State Prison on parole, 4; recommitment for violating condition of pardon, 1; commutation of death sentence, 1.

#### NATURALIZATION RETURNS.

Under provisions of the Revised Laws, chapter 166, section 17, returns were received of the naturalization of 5,894 persons before the various courts of the Commonwealth during the year 1904, — an increase of 464, as compared with the returns for 1903. These returns were indexed and bound in convenient form for reference, as required by law.

#### MISCELLANEOUS.

As required by law, the return of the Surveyor-General of Lumber of the various kinds and quantities of lumber surveyed and the amount of fees received by him and his deputies in the year 1904 was received and filed Jan. 19, 1905.
